How do you get started?

Brunswick Community College adheres to the "open door" policy as established by the North Carolina State Board of Community Colleges; admission standards do apply. All students enrolling in an associate degree, diploma, or certificate curriculum at Brunswick Community College must be high school graduates or possess a GED or Adult High School Diploma. Application forms may be obtained in person or by contacting:

Student Development Office
910.755.7320 or 1.800.754.1050, Ext. 320

Each applicant receives an application packet, which contains the placement-testing schedule, information on financial aid, registration, and transcript request forms. Applications for admission should generally be submitted at least two weeks prior to registration.
